HOME BIG MAP REPORTS GET ALERTS DOWNLOAD REPORTS

The LibyaCrisisMap platform was activated by the request of the Office for the Coordination of Humanitarian Affairs (OCHA) to the Standby Task Force (SBTF). The platform was fully handed over to OCHA supervision in April 2011, and continued to be supported by a team of volunteers until June 4th of 2011.

The platform is not currently accepting new reports, but the data will remain available for a couple of months.
