GENÈVE, 22 November 1984

SUBJECT: Secretarial Meeting - Monday, 19 November 1984

Present: Robert Souria

Résumé/Conclusions:

1. There was further discussion on the Duty Assistant Roster. C. Kerpelman has given his comments, and R. Souria will take the matter up with him and Mr. Einhaus for decision.
2. R. Souria gave an updated report on the telephone situation. The Swiss system can link a maximum of only 11 telephones. Since UNDRO is part of the UN and needs an emergency system immediately, we should perhaps consider buying a system with 20-30 connections in France.
3. E. Cieniewicz wishes to remind us of the following procedures
 - (a) for memoranda:
 - (i) general memos - send all copies to Registry
 - (ii) personal and confidential memos - " no copies " "
 - (iii) memos not for circulation - " only green & pink copies "
 - (b) for Mission Reports:
send 4 copies to Registry (He will disseminate them as follows:
 - 1 - float file/NYLO
 - 1 - Mrs. Mengin
 - 1 - UNDRO collection of reports
 - 1 - file(s))
