### [Kosovo road Atlas](#)

This Atlas has been developed as a practical working guide for traveling within Kosovo. From Feb 17, the printed atlas can be purchased directly from the HCIC for 10 DM.

Also available for free download or on the HCIC CD-ROM

[HCIC CD-ROM](#) The HCIC CD-ROM contains the Pcode database, contact directory, maps and other cool things. It is available free from the HCIC for organizations working in Kosovo.

[Pcodes-2](#) **NEW!** New and Revised

The HCIC has developed a set of standard municipality, town and village place codes which are geo-referenced and are used to facilitate data collection and standardization. View the place codes.
